MIDTERMS & FINALS !!!

Next week is a BIG week! Midterms and Finals can have a great impact on a student's (final) grade. Make sure your student(s) starts studying this weekend to prepare for their upcoming tests/papers/presentations. Limit the use of cell phones, TV, video games, etc. to better prepare for the week to come (It's only for one week). Last minute cramming and preparation can result in frustration, poor attitude or poor exam performance.
