

July 2nd's Wednesday Series held 4 races in a fairly strong breeze from S to SW of about 10-17 knots. The 420 Race Committee ran trapezoid courses all day while the Opti Race Committee ran modified triangles. The first race started in decent breeze of about 12 knots. The second race saw the breeze start to build towards 15 knots. The last two races were held in still stronger breeze of about 17 knots. The top finisher in the Laser fleet was Bryce Andreasen, the top finisher in the 420 fleet was Peter Lynn and Chris Manson-Hing, the top finisher in the Opti Champ fleet was Hunter Zonnenberg, and the top finisher in the Opti Green fleet was Niall Kearney. Full scores can be found here: [\(link to scores page\)](#) Thanks to coaches Frankie, Fiona and Alex who were mark boats on the 420 line and to coaches Hannah, Chelsea, and Kaylie for running the Opti line.
