Celebrating 20 Years of Sailing!

1994 - 2014

Celebrating 20 Years of Sailing

2014 marks the 20th year of sailing for Nantucket Community Sailing. Founded in 1994, NCS offered its first programs in the summer of 1995 in Polpis Harbor and has since expanded, while continuing its focus on the island's youth. We look forward to celebrating this milestone with you over the coming year.

Boats for Sale

NCS currently has both power and sail boats for sale or lease. From Zodiacs to O'Days to Beetle Cats, we may have just the boat you're looking for. For

more information and for

a detailed description of each boat, please visit our [website](#).

Save the Date

NCS summer program registration opens on **Saturday, February 1 at 11am EST**.

Please call the NCS Office at 508-228-6600 Monday - Friday from 9am - 5pm to learn the suggested placement for your student, from our summer 2013 staff. We look forward to another great summer on the water!

Sponsor's Corner

re Main

NANTUCKET

ideas • investments • initiatives

NCS would like to thank reMain Nantucket for being the Nantucket Race Week title sponsor for the past five years. Not only has reMain provided significant financial support for NCS's programs, they have inspired us to be a Clean Regatta and to work with local businesses to Connect the Harbor with the Town. Nantucket Race Week has been recognized by Sailors for the Sea as a Clean Regatta since 2009, and has achieved Gold Level status for the past 4 years.

We are grateful for reMain Nantucket's continuing support for NCS.

Staff Spotlight: Emily Taylor

Emily joined NCS in 2008 as the Program Director. Emily grew up sailing beetle cats in Chatham, MA at the Chatham Yacht Club where she was the Sailing Master for several years before joining NCS. Emily spends the off-season in Hanover, NH with her fiancé, Justin, and Bernese Mountain dog, Millie. You can catch her during the summer months either at the NCS Office or at one of our sites – or sailing Indians on Saturdays!

Support NCS

Support NCS by submitting an application for a Nantucket license plate. MassDOT will begin production of the specialty Nantucket Island plate as soon as 3,000 completed applications have been received. Sales of the plate will benefit local island non-profits that work with children, like NCS. Visit www.nantucketlicenseplate.org to fill out an application. Please note that the check you submit will not be

cashed until 3,000 applications have been received. In order for you to support NCS in this process, please write in our name in the “How did you hear about us” section on the application.

The Foundation Is in!

The new NCS Maintenance Facility on Shadbrush Road now has a foundation. We’ll be sharing photos of the progress each month, so stay tuned!

NRW and NCS Merchandise Available

The NCS store is currently stocked with NCS, NRW & OHC Merchandise. Stop by our online shop by clicking [here](#). Also, don’t forget to follow Nantucket Race Week on [Facebook](#) and [Twitter](#) – so you don’t miss out on our winter specials.
