Dear Parent of NCS Sailor,

Polpis Harbor provides NCS a unique venue to teach young children the joy of sailing. During the offseason, NCS reviewed the sailing operations currently conducted in the Polpis Harbor location and asked ourselves, how can we make it better?

Last year NCS provided morning bus service from the Nantucket Middle School to Polpis Harbor at a nominal cost to parents. We had positive feedback from parents saying how much they appreciated this service and requesting us to consider providing bus service to Polpis Harbor for afternoon sessions as well. Based upon last year's success, this year we will offer both morning and afternoon **round trip** bus service to Polpis. The fee for this service will continue to be nominal. We will have an instructor on each bus, and we will hold parent orientation on the first day of each new class session at the middle school.

I ask all of you to make use of this bus service if at all possible. The feedback last year was that the shared bus ride strengthened bonds and enhanced the overall sailing experience; kids like to talk about what they have done with their friends. Not only that but you'll help reduce island traffic and help the environment.

Thank you and we look forward to another wonderful year teaching your child the joy of sailing.

Sincerely,

Martin McKerrow,
President, NCS Board of Directors
