

November 2018

Dear Friends of the Bristol Warren Education Foundation,

The **Bristol Warren Education Foundation** (BWEF) and **Jaffe Orthodontics** are proud to announce our **11th Annual Bodacious Bee, "Bee Your Best Self"** on **Saturday March 9th, 2019** at Roger Williams University! This year's theme reminds us that education is about the choice we each make to see the best in ourselves and one another. As volunteer board members of the Bristol Warren Education Foundation, our commitment to serve comes from the best part of ourselves and motivates us to carve out time to plan events like this one. We rely on partnerships with local businesses in order to accomplish this mission: raising money to fund innovative, teacher-led grant programs that promote academic excellence and allow our students to be and do their best. The businesses that step up to support children of our local schools are inevitably those that are operating at their best on many levels. When we all support our teachers and invest in our students, we inspire them to be their best selves through hard work, persistence and grit while providing them with the necessary tools to succeed throughout their schooling and beyond.

We now need you, our local business and support system to Bee your best and most generous selves, to enable our kids to be their best in school!

Since 2007, BWEF has awarded nearly half a million dollars to BWRSD teachers and staff for imaginative, high quality projects that enhance students' educational experiences. BWEF has funded programs in every district school, this year funding more than \$60,000 across 20 unique teacher-initiated ideas covering math, science, engineering, art, reading, geography, music, foreign language, nature exploration, history, problem solving, special education, and health education. Generous sponsorships from local and regional businesses have been instrumental in making this possible.

The Bodacious Bee is our signature fundraising event, and in 2018 was attended by more than 400 people, raising approximately \$60,000. Don't miss your chance to be a sponsor at this year's event. These valuable sponsorships are available at various levels (see enclosed forms for more details). Your new or continued support is greatly appreciated. Please do not hesitate to contact us at BWEFBee@gmail.com or Carly Reich at 720-201-9367 or Reuben Reich at 720-480-4832. Thank you in advance for your support!

Sincerely,

Dr. Reuben Reich and Carly Reich, Bodacious Bee Co-Chairs

Jaffe Orthodontics and Bristol Warren Education Foundation
present the 11th annual Bodacious Bee!

Saturday, March 9th, 2019 at 5:30 pm, Roger Williams University Field House

Make a difference in the education of our local children by becoming a Sponsor!

In addition to benefits listed under each category, all sponsors will be recognized in a full-page Thank You ad appearing in the Bristol Phoenix and the Warren Times-Gazette.
